

RESOLUTION OF THE  
WHITE MOUNTAIN APACHE TRIBE OF THE  
FORT APACHE INDIAN RESERVATION

Be it resolved by the Council of the White Mountain Apache Tribe in regular session this 2nd day of April, 1945, that:

WHEREAS, it has come to the attention of the Council that during 1939 a limited number of Reimbursable Agreements were executed on "Loan Agreement Form #5-879", which provide for the collection of 3% interest from the borrower of funds from Federal Appropriations, and

WHEREAS, the funds used by the White Mountain Apache Tribe in operating its tribal enterprise are tribal moneys, and the reimbursable activities are set up for giving assistance to members of the Tribe in making purchases of supplies not readily available for construction of homes, and advancing their economic status, and not for making cash loans, and

WHEREAS a nominal mark-up or surcharge is made by the Enterprise, which is the equivalent of an interest charge when funds are loaned, and

WHEREAS, it was not intended that interest be charged on agreements numbered 1472 to 1492 inclusive, which were erroneously prepared on Form #5-879,

Therefore be it resolved by the Council of the White Mountain Apache Tribe that no interest be charged on the Reimbursable Agreements heretofore stated and that a copy of this resolution be placed with each of said agreements.

The foregoing resolution was on April 2, 1945 duly adopted by a vote of 10 for and 0 against, by the Tribal Council of the White Mountain Apache Tribe pursuant to authority vested in it by Article VI, Section (n) of the Constitution and By-Laws of the Tribe, ratified by the Tribe on August 15, 1938 and approved by the Secretary of the Interior on August 26, 1938, pursuant to Section 16 of the Act of June 18, 1934 (48 Stat. 984).
