SUBJECT: Resolution No 74-90, White Mountain Apache Tribe

Per our telephone conversation of June 17, 1974, I attempted to give an explanation of Resolution No. 74-90 that involves the increase of salaries for the new Chairman and Vice-Chairman. This, theoretically, is a budget amendment, and it is my understanding that the Tribe is going to be restructured to a great extent; reorganized and that a new budget will be prepared and submitted to the Area for approval by the Area Director.

In the interim if you would please consider the contents of Resolution No. 74-90 adopted May 2, 1974, as a budget amendment to the old budget and state in your transmittal back to the agency on the approval, the requirement that this be included and be made a part of the new budget that will be submitted after the restructuring and other reorganization is taking place.

We are sorry we overlooked this bit of confusion starting in the new administration and we offer our apologies for not making it clear in the first transmittal. We hope this will satisfy the situation, and please feel free to contact our office for further clarification if needed.

Mr. Ronnie Lupe

Chairman, White Mountain Apache Tribal Council

Dear Mr. Lupe:

We refer to Resolution No. 74-90 enacted by the White Mountain Apache Tribal Council on May 2, 1974, approving increases in salary for the Chairman and Vice-Chairman. This action constitutes an increase to the current tribal budget in excess of \$5,000 since additional benefits are also provided for by the resolution. The resolution further authorizes the Chairman to increase the Tribal Secretary's salary which, it is our understanding, will be taken into consideration in an amended tribal budget to be submitted at a later date.

The Superintendent has recommended approval of this increase. Therefore, pursuant to authority delegated to me by the Commissioner of Indian Affairs, Resolution No. 74-90 is approved as an increase to the current tribal budget with the understanding that any additional related expenditures will be made a part of the amended budget.

Sincerely yours,

(SGD) JOHN ARTICHOKER, JR.
