MEMORANDUM

**TO: Area Director
Attention: Tribal Operations**

FROM: Superintendent

SUBJECT: Tribal Resolution No. 74-127

This resolution was adopted as a result of an agreement between the Tribe and the Northern Arizona Comprehensive Guidance Clinic, Inc. dated April 19, 1972. Every year this item is neglected being put on the budget and listed as a normal budget item where they have agreed to contribute \$3,000.00 annually to the operation of the Apache Guidance Center that is operated within the government compound. This would necessitate an amendment to the budget in the amount of \$3,000.00. At the present time the contingency funds for the tribe is extremely low and there is still some assurances that the tribe is going to completely re-budget with or without an action and this \$3,000.00 listed here is in addition to the current budget and to be appropriated from the funds on deposit with the U. S. Treasury.

We recommend approval of this addition of \$3,000.00 to the current operating year on the basis that the return to the tribe and all indirect revenues from employment, benefit the individual children and some other features actual total of \$16,000.00 in labor and community benefits.

The resolution was adopted on August 14, 1974, by the Tribal Council of the White Mountain Apache Tribe, pursuant to authority vested in it by Article V, Section 1 (1) of the Amended Constitution. The budget amendment requires approval by the Area Director.
