

RESOLUTION OF THE
WHITE MOUNTAIN APACHE TRIBE OF THE
FORT APACHE INDIAN RESERVATION

WHEREAS, the Tribal Council discussed, at some length, the problem of Indian cattle migrating off of the reservation, and

WHEREAS, these points of migration are on the major highways at their intersection with the reservation boundary, and

WHEREAS, Highway 60 on the reservation boundary below Show Low and Highway 173 between Indian Pine and Pinetop are the major areas of migration, and

WHEREAS, the cattle being on the major highways and in the adjacent areas to the reservation creates a public hazard, and

WHEREAS, this problem was not so apparent and the hazard not so great when there were cattleguards on the State and Federal Highways.

BE IT RESOLVED by the Council of the White Mountain Apache Tribe that they hereby request the Department of Public Safety of the State of Arizona to reconstruct the cattleguards on Highway 60 and Highway 173 at their intersection with the reservation boundary.
