

RESOLUTION OF THE

FORT APACHE INDIAN RESERVATION

WHEREAS, the Tribal Council of the White Mountain Apache Tribe has previously acted to implement the funding and construction of an urgently needed medical clinic in the Community of Cibecue on the Fort Apache Indian Reservation, and

WHEREAS, such project is under the direction of the Department of Health, Education and Welfare, Branch of the Indian Health Service, and

WHEREAS, the Tribal Council is advised that the construction of this project has not yet been started, though federal funding was made available; that the rise in construction and material costs threatens the feasibility of construction as delays continue; and that the entire Cibecue Clinic Project is jeopardized in this process, contrary to the intent of Congress in authorizing its priority construction, and

BE IT RESOLVED by the Tribal Council of the White Mountain Apache Tribe that it hereby requests that the Department of Health, Education and Welfare start construction of the Cibecue Clinic as soon as possible, using already available federal funding for this project.

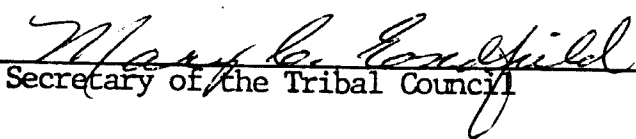

BE IT FURTHER RESOLVED that the Tribal Council requests that the PHS Indian Health Service personnel in charge of this project, locally, keep the Tribe informed at all times concerning the progress of this Project.
