

RESOLUTION OF THE
WHITE MOUNTAIN APACHE TRIBE OF THE
FORT APACHE INDIAN RESERVATION

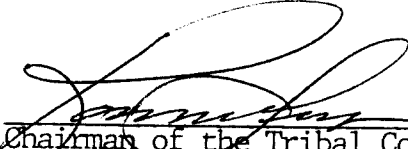

WHEREAS, the disease of alcoholism is the primary health problem of the White Mountain Apache Tribe, and

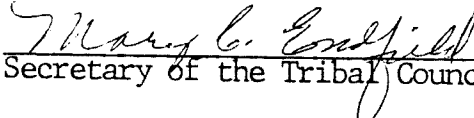

WHEREAS, preventative efforts in the form of community education on alternatives to the alcoholic life style and alcoholic patterns of drinking are critical elements in the long range approach to decreasing the problems of alcoholism, and

WHEREAS, alcoholism is part of the larger problem of drug abuse.

BE IT RESOLVED, that the Tribal Council of the White Mountain Apache Tribe supports the efforts of the White Mountain Alcohol and Substance Abuse Task Force to develop and implement a recurring yearly program of alcohol and drug abuse education for the Reservation communities and schools using whatever media and educational means available.

The foregoing resolution was on January 6, 1982, duly adopted by a vote of 8 for and 0 against by the Tribal Council of the White Mountain Apache Tribe, pursuant to authority vested in it by Article V, Section 1 (r,s,t) of the Amended Constitution and Bylaws of the Tribe, ratified by the Tribe June 27, 1958, and approved by the Secretary of the Interior on May 29, 1958, pursuant to Section 16 of the Act of June 18, 1934 (48 Stat. 984).

Chairman of the Tribal Council

(ACTING) 
Secretary of the Tribal Council
