

RESOLUTION OF THE  
WHITE MOUNTAIN APACHE TRIBE OF THE  
FORT APACHE INDIAN RESERVATION

WHEREAS, Cedar Creek has caused erosion of land immediately surrounding the home of Nancy Armstrong and has caused portions of her back yard to wash away in the creek; and

WHEREAS, the erosion along Cedar Creek behind the home of Nancy Armstrong is beginning to endanger her home and property due to the location of her propane gas tank at the rear of her house, near the creek; and

WHEREAS, erosion is also occurring along the White River below Canyon Day and such erosion has claimed some of the farm land which has been assigned to Larry Massey in Canyon Day and such land lies across the river from the rock crusher.

WHEREAS, the Tribal Council believes that the Bureau of Indian Affairs, Fort Apache Agency Land Operations Office can make arrangements to stop and/or curtail the continual erosion along Cedar Creek and the Whiteriver River below Canyon Day.

BE IT RESOLVED by the Tribal Council of the White Mountain Apache Tribe that the Land Operations Office of the Fort Apache Agency is hereby directed to make efforts to curtail and/or stop the erosion along the Cedar Creek behind Nancy Armstrong's home and along the White River along Larry Massey's farmland in Canyon Day across from the rock crusher.

The foregoing resolution was on January 8, 1992, duly adopted by a vote of SIX for and ZERO against by the Tribal Council of the White Mountain Apache Tribe, pursuant to authority vested in it by Article V, Section 1 (i) of the Amended Constitution and Bylaws of the Tribe, ratified by the Tribe June 27, 1958, and approved by the Secretary of the Interior on May 29, 1958, pursuant to Section 16 of the Act of June 18, 1934 (48 Stat. 984).
