

**RESOLUTION OF THE
WHITE MOUNTAIN APACHE TRIBE OF THE
FORT APACHE INDIAN RESERVATION**

WHEREAS, the lack of a safe, sanitary, and effective solid waste management system poses a serious health threat to the community and an environmental threat to the land, air, and water on the Fort Apache Indian Reservation; and

WHEREAS, the Tribe desires to implement a safe and effective solid waste management system which includes the development of a new municipal solid waste landfill that meets the Environmental Protection Agency's Resource and Conservation Recovery Act, Part 258 regulations, and, a collection system that will provide tribal members with the opportunity for the proper disposal of waste on the Fort Apache Indian Reservation; and

WHEREAS, cost estimates for such a system including; the engineering and construction of the landfill, equipping and manning the collection system, and the closure of existing dumps indicate that the cost of the tribal solid waste management system will be approximately \$3.0 million; and

WHEREAS, Indian Health Service has contributed \$100,000 to the project and the Tribe will contribute road improvements valued at approximately \$500,000, engineering services valued at approximately \$75,000 and a 100 acre landfill site valued at approximately \$180,000; and

WHEREAS, it is beneficial to the total funding and ranking of the Solid Waste Management System for the Tribe to make a cash contribution of tribal funds to this project.

BE IT RESOLVED by the Tribal Council of the White Mountain Apache Tribe that it hereby commits the amount of \$200,000 as a cash contribution to be included in the Community Development Block Grant proposal for the development of a Solid Waste Management System on the Fort Apache Indian Reservation to benefit the White Mountain Apache Tribe. This contribution is available from the General Fund of the White Mountain Apache Tribe and will be used in part to equip the maintenance facility and to meet other costs of the project.

Resolution No. 07-92-207
