

**RESOLUTION OF THE
WHITE MOUNTAIN APACHE TRIBE OF THE
FORT APACHE INDIAN RESERVATION**

WHEREAS, Councilmember Randall Massey, Jr. advises the Tribal Council that tribal member Winona Nosie of the Upper East Fork Community has several problems with her mutual help HUD home which have existed since she purchased the home but which has never been corrected; and

WHEREAS, specifically the bathroom plumbing has not worked since the day she first occupied the home and that use of the bathroom or shower results in water backing up in another part of the house; and

WHEREAS, porch repairs were conducted by the Housing Authority but damage to the living room ceiling, resulting in a large open hole in the ceiling caused by water leaking in from the previously defective porch has never been repaired and the dry wall needs to be replaced; and

WHEREAS, Mr. Massey is requesting that the Tribal Council direct the Housing Authority to complete the repairs so that Ms. Nosie can live in a safe and sanitary home without further delay; and

WHEREAS, the Tribal Council concurs in the request.

BE IT RESOLVED by the Tribal Council of the White Mountain Apache Tribe that it hereby directs the White Mountain Apache Housing Authority to investigate the plumbing problem in Winona Nosie's home and to correct same as soon as possible and further to repair the dry wall in the living room ceiling caused by the previously defective porch roof which allowed rain water to leak into and damage said ceiling.

BE IT FURTHER RESOLVED by the Tribal Council that it directs the White Mountain Apache Housing Authority to provide a report to the Tribal Council upon completion of these repairs.
