

**RESOLUTION OF THE
WHITE MOUNTAIN APACHE TRIBE OF THE
FORT APACHE INDIAN RESERVATION**

WHEREAS, Resolution No. 05-98-114 established a policy that Tribal enterprises and other Reservation based business be given the opportunity to meet any bid from outside vendors for materials needed in building and road work repair and construction, provided that the quality of the materials is comparable and that the Tribal enterprise or other Reservation based vendor can meet the contractor's supply schedule and specifications; and

WHEREAS, the Tribal Council is advised that this policy has proven detrimental to Tribal enterprises because it prohibits fair market value pricing on Reservation construction projects; and

WHEREAS, the Tribal Council concludes that this policy does not support the Tribe's effort to market reservation materials and should be rescinded.
