There are unlicensed individuals coming on the reservation repossessing vehicles. There is no resolution with regard to this, pending Council decisions on how to address the issues. Only one company is approved to be here to do business which is from Navajo Recovery- John Teyeck.

Discussions:

- Harrassment and intimidation of tribal members
- Tribal members being used to help locate vehicles. They need to be licensed also.
- John Tenyeck's approved license to do business as a "middle man" with bank and tribal members. Concerns about his taking of vehicles off the reservation which is not part of the resolution. Mr. Tenyeck explained if we put them in contact with the bank and if they cannot make an arrangement, the tribal member signs a voluntary surrender and that's the only time we take the vehicles. Council reiterated the resolution doesn't say he can take vehicles.
- Discussions on punitive measures against these unlicensed individuals such as impoundment of their vehicles, imposing a large fee if not licensed and charge with disorderly conduct.
- Attorney Fred Soto said the Council can pass a resolution for non-tribal members that violate tribal laws and they can be escorted off the reservation. Chief Webster concerned about having no secure place to store impounded vehicles. Civil codes need to be in place so these individuals can be escorted off.
- Legal department was instructed to draft a resolution for unlicensed persons coming on reservation for repossession of vehicles. A question was asked since a resolution was passed for

John Tenyeck, which would stand the old resolution or this new one? Attorney Fred Soto responded, this new resolution doesn't supersede, they would work hand in hand.

No action taken. Mr. Altaha was not present.
- G. Research Approval: Housing Neighborhood & Health on WMA Reservation – Dr. Tennille Marley
Dr. Tennille Marley, Assistant Professor at ASU. There were discussions on the research and interviews that Dr. Marley wished to conduct on the reservation and what her intent is to do with the research and if it would be published. Mr. Tsosie asked for permission to film this walk. Waivers will be signed by participants. The walk is a ten-day event beginning in Window Rock and ending in Whiteriver at the Activity Center. - Motioned by Jerome Kasey, seconded by Arnold Beach to approve the filming of this event. Vote: 8-0-2. Motion carried.

II. UNFINISHED BUSINESS

A. Game & Fish Hunting Regulations

Presenters: Jesse Palmer, Chadwick Amos (Acting G&F Director Tim Gatewood

2017-18 Hunting Regulation Formulation: Jesse Palmer presented a power point discussion on the components of the Hunting Regulations and provided a handout of the recommended changes. He stated that they consult with AZ Game and Fish and he and has a staff review committee. This committee reviews and agrees with what is presented.

Other discussions included:

- ✓ Two types of surveys done. Winter aerial survey at a cost of a quarter of million dollars and summer ground surveys to collect data on ratio of bull elk and deer.
- ✓ WMAT works closely with AZ Game and Fish to coordinate hunting seasons and managing hunts.
- ✓ The mule deer hunt is most requested and most popular.
- ✓ Post notice of Public Meetings well in advance for Whiteriver, Cibecue and McNary
Too-short of notice for meetings – not well attended. Suggestion for next year was to post the Regulations for ten days for public comment and input. Put ad in Scout to announce meeting dates and posting places. Another suggestion was to present the Hunting Regulations earlier in the year such as in February, March as opposed to July and August. Further, to post a notice defining "First Come First Serve".
- ✓ Social media: Temporary employee hired to set up Face book, Twitter and Instagram and updates them. Comment and suggestion that the elders do not have social media devices and the information should be done live broadcast on KNNB.
- ✓ Hunting and fishing regulations will be updated every year. Question was asked if these regulations were updated. Jesse Palmer responded they would be updated today. Further, if there are no changes, it would be ready to go on line and to publishing. He reported there were no significant changes. But there will changes in the Permits due to significant drop in white tail deer.
- ✓ Archery Deer: Whether to Implement a draw or not? No changes recommended in the regulations. There was lengthy discussion on this subject. Concerns about long lines to purchase tags for Archery Hunt. The process needs to be more organized. Signup sheets to purchase tags not a fair way for all and causes "fights" for people pushed back in the line. An individual discounted the "fighting" comment. Chadwick Amos stated they are not responsible for anything that happens outside their doors. That statement was challenged with a statement that G&F is a law enforcement agency and they are responsible for what happens outside as it is on the premises of Game and Fish.
- ✓ Suggestions and comments from audience: To leave archery hunt as is on a first-come first-serve basis; If they are not drawn for regular hunt, archery is the only other chance they get for a hunt; The same people get drawn every year; Archery Hunters don't have the equipment, they have to rely on others for equipment. Mr. Palmer reported, at the request of the Archery hunters, Archery hunters will go first in the hunt this year and then the rifle hunters. This is on a trial basis. If it doesn't go well, it will be switched back to Rifle hunt first.

- ✓ Chairman's staff, Gwendena, commented about the communication being much improved at Game and Fish, but that the Chairman's memo to the department remain unanswered and asked if they will be answered. The response from the department was that they memos will be answered.
 - ✓ The Chairman had concerns about the money collected for the tags and that it should be going straight to the coffers, that it should be centralized here at the headquarters. He has received phone calls after the fact about "shenanigans" concerning money. He admonished there must not be any hidden payment for hunting".
 - ✓ The Vice Chairman clarified the consensus of the Council was to keep the hunt on "a first come first serve" basis and that Archery Hunt will be first and then the Rifle Hunt as recommended.
 - ✓ The Vice also has concerns about non-tribal members trespassing on to the reservation. Chadwick Amos reported and updated on two incidents which occurred recently with a suicidal individual and the fugitive was shot and killed in the Globe area. Mr. Amos hopes to have a direct line set up at the Game and Fish office.
- Motion by Ralph Thomas, seconded by Floyd Walker to approve resolution for "2017-2018 Tribal Member Hunting Regulations", with recommend changes and to keep on a "first come first serve" basis for sale of Archery Hunting tags. Vote: 10-0-0. Motion passed.
 - Motioned by Vice Chairman Velasquez, seconded by Jerome Kasey to approve resolution for "2017-2018 Non-Member Hunting Regulations". Vote: 10-0-0. *Motion passed.*

Lunch Break : 11:30 - Reconvened at 1:40 P.M.

C. Approval of Land Applications – Raymus Albert

Mr. Albert explained on No 4. Nathaniel Nash's land assignment. The land was given to him by his grandmother. The grandmother has changed her decision to relinquish the land to him as she has been mistreated by him. Mr. Albert stated that decision was up to the Council.

- *Motioned by Jerome Kasey, seconded by Vice Chairman Velasquez to approve the land assignments as presented excluding Nathaniel Nash #4. Vote: 10-0-0. Motion passed.*

B. Fair and Rodeo Commission:

Cairo Clay- Fair Manager, Harrison Declay- F&R Staff, Renell Williams- Commission President

- Motioned by Jerome Kasey, second by Vice Chairman Velasquez to approve a 40-hour week schedule for the Fair and Rodeo Staff. Vote: 7-1-2 Motion passed.

It was reported the staff is working at full throttle--only three of them and an office worker. "Falling behind, but the 80 hours should bring us back up to where we should be".

The report included following:

Parade Route: The parade route will stay the same as previous years. They will be meeting with chief of Police tomorrow evening.

Grand Marshall: Selected by the chairman's Office.

Rodeo Entries: Slow but steady. Entries should pick up in August. Books will remain open up to two hours before the show. They are putting in a Credit Card Machine in the office.

Frazier Shows: They are bringing two biggest rides this year and will require a lot of space. This will help to bring in more people. They are requesting to get milling from the road project in the carnival area.

Sponsors: Only one responded for requests for sponsors last year. Don't have files from last year.

Computer files are not available from years past. We had to start off from 2015 for his records. Pepsi is one of the biggest sponsors this year.

- Motioned by Jerome Kasey, seconded by Arnold Beach, to approve the new Fair and Rodeo Commissioners—Dustin Reidhead, Preeo Johnson and Annie Parker. Vote: 8-0-2. *Motion passed.*

Carrizo Store to Apply for Liquor license – Jim Palmer

Need approval by Governing body for a resolution in support of a liquor license. The store lease was approved and also to obtain a liquor license. Need confirmation that WMAT is okay with this.

- Motioned by Vice Chairman Velasquez, seconded by Arnold Beach, to support the issuance of a liquor license for Carrizo Store. Vote: 7-0-3. *Motion passed.*

Other:

Letter to go to BIA Regional Director Regarding Removal of Ft. Apache Agency Superintendent

There was discussion about removal of Nona Tuchawena, Superintendent of the Ft. Apache Agency. This letter is to be delivered personally by the Chairman and Vice Chairman.

The letter content is to include: •Secretarial Election for Blood Quantum was botched and set up for failure • Lack of technical assistance to the tribe • When AS 400 went out financial assistance was requested for the new computer system. • Does not inform tribe with events in Indian Country and Washington, D.C. • Lack of disciplinary action against her employee speaking up against the tribe, misrepresentation • Doesn't attend council meetings regularly • not honoring resolution for exclusion from the reservation • morale problems with employees • Nepotism at the Agency by favoring her Tribal members relatives.

Note: The letter is to be presented to the Council for review prior to delivery.
